

*Hoofprints on Your Heart
Some horses come into our lives
and quickly go.
Some horses move our souls to dance.
They awaken us
to new understanding
with the passing whisper of their wisdom.
Some horses make
the sky more beautiful to gaze upon.
They stay in our lives for a while,
and leave hoof prints on our hearts
and we are never, ever the same....*

**In Loving Memory of
Justa Push Button aka "Willy"**
