

TBEA Equine Registration

Only Thoroughbreds and ½ Thoroughbreds are eligible for TBEA year end awards. Please fill this form out completely. Once registered, this registration is valid as long as you own the equine. There are no additional fees to transfer to a new owner.

Equine, owner and exhibitor must *all* be members of TBEA to qualify for year-end awards. The equine must be exhibited under the Registered Name if points for that event are to be counted for year-end awards. Not a member? Visit thoroughbredexhibitors.org to find the Membership Form and other resources.

Use a separate form for each equine.
