## Entry, Rules and Release

**Rules:** Helmets are required for **riders 18 and under**.

But TBEA encourages all riders to wear a helmet and protect their heads.

**Release:** I accept and clearly understand that riding a horse can be hazardous, especially in an equestrian event; that there are inherent and other risks involved in riding a horse; and that injuries are a common and ordinary occurrence. I freely accept and assume those risks. I therefor release Thoroughbred Exhibitors Association (TBEA), its members, the show grounds owners and all of their agents and employees from any and all liability for damage and injury to myself, my horse, or to any person or property resulting from riding or showing a horse in this equestrian event, accepting myself the full responsibility for any and all such damage or injury of any kind which may result. I agree to fully indemnify, defend, and hold TBEA, show grounds owners and all their agents and employees harmless from any and all claims, actions, liability or costs including attorney fees and other costs of defense arising out of or in any way related to my riding or showing a horse in this event. The limitations on liability provided in ORS 30.691 shall apply to an adult participant in the circumstances listed in subsection (1) (b) of this section if the participant, prior to riding, training, driving, grooming or riding as a passenger upon an equine, knowingly executes a release stating that as a condition of participation, the participant waives the right to bring an action against the equine professional or activity sponsor for an injury or death arising out of riding training, driving, grooming or riding as a passenger upon an equine. A release so executed shall be binding upon the adult participant.
